Effective Date: April 29, 2026

Operated by: Novaforge Technologies Inc. (“**Company**”, “**we**”, “**us**”, or “**our**”)

Brand: Premium 3D Plus

Address: Chicago, Illinois, United States

Website: www.premium3dplus.com

IMPORTANT NOTICE: This Acceptable Use Policy (the “**AUP**”) is a legally binding document incorporated by reference into our Terms of Service and Privacy Policy. By accessing or using the Service, you agree to comply with this AUP. Violations may result in immediate suspension or permanent termination of your account without refund, and we may report illegal activities to law enforcement.

This AUP is designed with the highest standards from leading AI 3D and manufacturing platforms (Zoo.dev, Meshy.ai, Tripo AI, Luma AI, Shapeways, Freepik) to protect the integrity of the platform, our users, and third parties.

1. Introduction and Purpose

Premium 3D Plus provides powerful AI tools for 3D model generation, CAD editing, marketplace transactions, education, and manufacturing connections. To maintain a safe, lawful, and professional environment, we require all users to follow this AUP.

The purpose of this AUP is to:

- Prevent misuse of our AI and platform.
- Protect intellectual property and confidential information.
- Ensure compliance with applicable laws (including export controls, product safety, and IP laws).
- Maintain the trust of our community of designers, engineers, makers, and enterprises.

2. General Rules of Conduct

You agree to use the Service only for lawful, legitimate, and professional purposes. You must not (and must not allow others to):

- Use the Service in any way that violates any applicable law, regulation, or third-party rights.
- Interfere with or disrupt the Service or the experience of other users.
- Attempt to gain unauthorized access to any part of the Service or other users’ accounts.
- Use the Service to harass, threaten, defame, or abuse any person or entity.
- Impersonate any person or entity or falsely state or misrepresent your affiliation with any person or entity.

3. Prohibited Content and Activities (Detailed List)

You may **not** use the Service to generate, upload, store, share, publish, or distribute any of the following:

3.1 Intellectual Property Violations

- Content that infringes, misappropriates, or violates any third-party copyright, trademark, patent, trade secret, moral rights, publicity rights, or other proprietary rights.
- Models or designs that copy or closely imitate protected works without authorization.
- Prompts or outputs intended to circumvent copyright or generate derivative works of protected IP.

3.2 Illegal, Harmful, or Dangerous Content

- Content related to weapons, firearms, explosives, bombs, or any regulated or prohibited items.
- Content promoting violence, terrorism, self-harm, or illegal activities.
- Child sexual abuse material, child exploitation, or any content harmful to minors.
- Discriminatory, hateful, racist, sexist, or otherwise abusive content.

3.3 Export-Controlled and Regulated Items

- Designs or models subject to U.S. export controls (ITAR, EAR), sanctions, or restricted technologies (including defense, aerospace, or dual-use items).
- Any content that would require special licenses for international transfer or manufacturing.

3.4 Misuse of AI Capabilities

- Attempts to reverse engineer, decompile, extract, or copy our AI models, algorithms, or training data.
- Using outputs to train, fine-tune, or improve any competing AI system or service.
- Prompt injection, jailbreaking, or any attempt to bypass safety filters.
- Generating extremely high volumes of content to overload the system.

3.5 Spam, Fraud, and Commercial Misconduct

- Spam, unsolicited advertising, or pyramid schemes.
- Fraudulent, deceptive, or misleading content (including fake reviews or misrepresented products).
- Using the Store to sell counterfeit, infringing, or unsafe products.

3.6 Unsafe or Unprofessional Manufacturing Content

- Designs intended for medical implants, life-critical systems, or regulated medical devices without proper certification.
- Content that could reasonably cause physical harm, property damage, or safety issues when manufactured.

4. Platform-Specific Rules

4.1 P3D+ Studio Creator & AI Outputs

- You are solely responsible for verifying all AI-generated models before manufacturing or commercial use.
- Do not rely solely on AI outputs for safety-critical applications.

4.2 P3D+ Store (Marketplace)

- All listed models must be original or properly licensed.
- Sellers must accurately describe their models and comply with all consumer protection laws.
- The Company reserves the right to remove listings that violate this AUP.

4.3 P3D+ Providers & Engineer

- You are responsible for all contracts and interactions with third-party providers.
- Do not use the platform to circumvent regulatory requirements.

4.4 P3D+ Academy & Magazine

- Content you upload or share must be educational and professional.
- No promotion of illegal or unethical practices.

5. Enforcement and Consequences

- We monitor the Service (including AI prompts and outputs) to enforce this AUP.
- Violations may result in: warning, content removal, temporary suspension, permanent termination, account deletion, and/or legal action.
- Repeat offenders or severe violations (e.g., illegal content) will be permanently banned.
- We may report illegal activities to appropriate authorities.

6. Reporting Violations

If you believe someone is violating this AUP, please report it immediately to legal@premium3dplus.com with relevant details. We will investigate promptly.

7. Updates to This AUP

We may update this AUP. Material changes will be notified by email or in-app notice. Continued use constitutes acceptance.
